HEALTHCARE SERVICES

Super Systems, Inc. (SSI) is a workforce solutions company that specializes in providing Healthcare Professionals within multiple facilities such as Hospitals, Short/Long-term Rehab Care, Nursing Homes, Surgery Centers and Pharmacies. Our firm covers many disciplines within these facilities (e.g., Clinical, Information Technology, Operations, Executive and Project Management positions). SSI does this through long-term contracting arrangements and contract-to-hire scenarios.

Our internal team has over 40 years combined experience in the industry and we have had the pleasure of working with many of the largest healthcare providers and payers in the country. Our services span both the clinical and technology facets within the Healthcare Industry.

IT MANAGED PROJECTS

Super Systems Inc is able to leverage internal SME's surrounding various IT practice areas to deliver reliable, cost-effective, and tailored managed solutions. Through this approach, our Subject Matter Experts can bring a consultative approach that is not repetitive or cookie cutter. We will assess your situation, deploy the appropriate solution, and maintain your satisfaction throughout the process. Super Systems uses the following 3 phase approach:

STAFF AUGMENTATION

Contract, Contract-to-Hire, and Permanent Placement
